

Fall 2022 Leapfrog Hospital Safety Grade

The Leapfrog Hospital Safety Grade assigns an "A," "B," "C," "D," or "F" letter grade to nearly 3,000 general acute-care hospitals in the U.S. It is the only rating focused on a hospital's ability to protect patients from preventable errors, accidents, injuries, and infections.

About The Leapfrog Group

Founded in 2000 by large employers and other purchasers, [The Leapfrog Group](#) is a national nonprofit organization driving a movement for giant leaps forward in the quality and safety of American health care. The flagship [Leapfrog Hospital Survey](#) and new [Leapfrog Ambulatory Surgery Center \(ASC\) Survey](#) collect and [transparently report](#) hospital and ASC performance, empowering purchasers to find the highest-value care and giving consumers the lifesaving information they need to make informed decisions. The [Leapfrog Hospital Safety Grade](#), Leapfrog's other main initiative, assigns letter grades to hospitals based on their record of patient safety, helping consumers protect themselves and their families from errors, injuries, accidents, and infections.
